

Dear Owner:

As I noted in the Fall/Winter Newsletter, we are encouraging all owners to sign up for our **NEW Electronic Funds Transfer (EFT) dues payment program**. Doing so will **save your Association thousands of dollars a year in high credit card fees!**

Please **contact the Financial Services Department at 775-588-3553 x1809 or 1810 TODAY** to sign up and do your part in fighting high credit card fees for your Association!

By calling right away, **we are offering a 1% discount on your dues** when you sign up for EFT so don't wait another minute. During these hard economic times, we can all use any break we can get and a penny saved is a penny earned, right?

Financial Services can also be reached by email at [tdrew@ridge-resorts.com](mailto:tdrew@ridge-resorts.com)

**Thank you** for taking the time to read this message, best wishes to you and your family.

Sincerely,

**RESORTS WEST**

Dan Garrison

Senior Vice President/General Manager

PS: When you call, ask how you can make your future dues payments quarterly or monthly!
